

BELVEDERE CLUB 2019 ARCHITECTURAL INVENTORY

Site: 35

Historic Name Hino-de-so

Year Built c. 1901

Architectural Style Prairie/Eclectic – Asian influenced

The shallow hip roof with exposed rafter tails along with the horizontal massing of this one-story cottage are indicative of the Prairie style. The carved decoration on the front porch and in the gable ends of the roof, along with the vertical board and batten siding show the Asian influences on the design. The multi-pane windows appear to be original.

Significant Features

- Shallow pitch hip roof and horizontal one-story massing.
- Carved decoration on front porch and in roof gables.
- Multi-pane windows.
- Curved roof in front porch over front steps.

Condition

The cottage is in good repair no issues are apparent. The cottage appears to retain most of its original features.
