

CROSSED THE BAR

RICHARD JUDD GORTHY **March 17, 1943 – June 30, 2013**

Richard Judd Gorthy, brother of Carolyn Gorthy Schrock, passed away on June 30 in San Ramon, CA. He died four years after surgery for pancreatic cancer. Carolyn was able to be at his side along with Heidi, his wife, two daughters and their families.

Dick had visited the Belvedere two times in the past few years and fell in love with it. After one visit he surprised the Schrock's with a beautiful model of the front of their cottage. He included the flowers, bicycle, swing, black cat, and even the skis in the attic. Carolyn's easel is on the screened-in front porch. It was a wonderful Christmas present! In his retirement Dick was well-known in the San Ramon Valley for his models of historic buildings in that area. Built with exceptional quality, they have been shown in several museums. He will be missed for his good humor, humbleness and especially his loyalty to family.

Carolyn's Mother was born in the U.P. and Dick provided a family genealogy revealing that their Grandfather, Emanuel Judd, had been superintendent of Boyne Falls schools in the early 1930's.
