

CROSSED THE BAR

Andrea Anderson Deane

It is with profound sadness that we mourn the passing of our wife, sister and friend, Andrea "Andy" Deane.

Andy was born in Grand Rapids, Michigan, on January 3, 1947, and passed away peacefully in her home in Glenbrook, Nevada, on September 14, 2015.

She was graduated from East Grand Rapids High School, Bradford Junior College, the University of Michigan and the University of Kentucky. She received an MS in Education, and was Librarian at Sierra Nevada College in Incline Village, Nevada.

Andy loved spending parts of each summer at the Belvedere Club in Charlevoix, Michigan, at her beloved Glenbrook at Lake Tahoe, and wherever her travels took her. She was an inspiration to many. A brave, adventurous, and caring lady who touched the lives of people the world over.

Andy is survived by her life-partner and husband John C. Deane, brother Eric Anderson and his wife Doreen, and many, many friends around the world. She was pre-deceased by her parents, Wally and Doris Anderson, her step-mother Margaret Anderson, her son Rob, and her grandsons Jacob and Austin.

May the love of God, and of her family and friends, follow Andy wherever her adventures take her next.

A Life Party for Andy will be held and announced at a later date.
