Nancy Connett Tower

Nancy Connett Tower, 97, passed away peacefully on October 22, 2013 at Newcastle Place in Mequon, Wisconsin. She is preceded in death by her beloved husband, Gene Tower. Nancy is survived by her loving daughter, Tory Folliard (Tom Folliard) of Milwaukee, Wisconsin and her two grandchildren, Elizabeth and George Folliard (Jen Folliard).

Nancy was born and raised in St. Louis, Missouri and attended Villa Duchense School. Afterwards she attended convents in Paris and Rome. During the war she returned to St. Louis and met her husband, Gene, who was stationed there in the army.

Nancy and Gene made their home at the Village of Golf, Florida where they were long time members of the Country Club of Florida. They loved Charlevoix, Michigan and spent their summers there. Nancy was the 3rd generation of her family (Connett/Schlaflly) to summer at the Belvedere Club in Charlevoix. An avid tennis player, Nancy was well known for her lob shot that would wear out most of her opponents. Dancing was another favorite activity especially when "Mack the Knife" was playing. Her warm personality and wonderful sense of humor will be missed.
